Setting Up Application Environment
Docker Installation

Date	19 September 2022
Team ID	PNT2022TMID54398
Project Name	Smart Fashion Recommender Application
Team members	1. S.PRABHAVATHY 2. V.MURUGESHWARAN 3. KARTHIKEYAN T 4. DIVYESH G

Step 1: Go the official Docker website: https://docs.docker.com/desktop/install/windows install/

Step 2: Click that button (Docker Desktop for Windows) and download will start and it takes few minutes to complete.

Step 3: Go to downloads in browser (or) type ctrl + J, it will navigate to download page and double-click the particular docker file.

Step 4: Now Installation is complete. This icon was added in your desktop. Double-click the icon to start the docker app, you can register and login that app to access those credentials

Step 5: Docker will start correctly, the left bottom side was shown in green color, docker will show the status of docker app working successfully

Step 6: Finally, the docker is installed successfully
